

079

18 June 1987

I saw pieces of  
~~what~~ white paper with  
black print. One  
piece of paper ~~to~~ said  
a formula was secret.  
The formula or project's  
number was 911.

These papers were  
on a long light brown  
table sitting out and  
they were in ~~roughly~~  
draft form.
